Our client seeks:

DIRECTOR OF EMERGENCY ROOM SERVICES

TITLE: Director of E/R Services

DEPT: Emergency Room Department

SETTING: Hospital (320 Beds - Level II Trauma Center)

LOCATION: Connecticut

JOB SUMMARY: The Director of E/R is responsible for the management of the Emergency Department which includes the implementation of the planning, organizing, budgeting, staffing, coordinating, evaluation, and reporting functions to ensure the delivery of safe patient care. The Director will operate within the guidelines of the Department and Hospital goals and objectives. In addition, the Director will have indirect responsibility for the management and nursing practice of 4-Urgent Care Centers and participates in a broad range of initiatives and committees throughout the organization.

JOB REQUIREMENTS: **Must be a Registered Nurse** and have a least 7-years of RN experience in hospital E/R setting, licensed in Connecticut (...or eligible); 3-years in leadership/managerial role; BSN Degree required (Master's preferred); CEN, ACLS and TNCC certifications preferred.

COMPENSATION: Highly competitive salary (\$120K - \$140K base range - commensurate with experience), great benefits, generous vacation package, retirement plan, relocation assistance and much more....
