O/R – CLINICAL RN MANAGER / OPEN HEART PROGRAM

TITLE: RN - Clinical Manager
SETTING: Hospital
LOCATION: Connecticut
REPORTS TO: Director of Nursing Services

JOB SUMMARY:

- Our client Hospital located in Central Connecticut seeks a motivated and highly skilled Operating Room Nurse to lead our operating room suites. Our eight -suite surgery unit covers all surgical specialties with the latest technological advancements including open heart, neurological, urological and major orthopedic cases
- In this role you will be responsible for maintaining policies and procedures, staff competency, and daily logs while administering the day to day operational activities of the Open Heart program, including patient satisfaction and facilitating teamwork. Candidates must have the ability to promote a collaborative relationship between the staff and the physicians. Candidates must be a graduate of an accredited school of nursing and have current CT RN licensure with 5 years of OR and 3 years of leadership/management experience. Bachelor's and CNOR preferred.
- The Hospital provides the ideal environment for balancing successful careers with active and enriching lifestyles. Centrally located between Hartford and New Haven, hospital is just 90 minutes from New York City, and an easy drive to Boston, Providence and Cape Cod. This geographical area provides a variety of recreation opportunities with ski country just 30 minutes away and 3 beautiful lakes within a 20-minute drive. With highly affordable housing and a brand-new, 150-store shopping mall adjacent to the hospital, this area is quickly becoming one of Connecticut's most desirable career destinations.

REQUIREMENTS:

- Bachelor's Degree / BSN Required (Master's Preferred)
- State-of-Connecticut RN License (or eligible)
- Minimum of 5 to 7 years of O/R experience
- Must have at least two-years in 'Charge or Leadership' role in Open Heart Program
- CNOR Certified (preferred) & AORN Membership

COMPENSATION:

- Highly "competitive" base-salary along with comprehensive benefits & career growth
